

THE CAMERON HERALD

ESTABLISHED 1860

VOLUME NUMBER 96

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, OCTOBER 20, 1955

NUMBER 23

Wednesday Nov. 9 Date Set For Fire Inspection

A special fire hazard inspection will be conducted by the Texas Insurance Fieldman's Association here early next month, Fire Chief Carl C. Black announced today.

Wednesday, Nov. 9, has been set for the general fire danger examination of all Cameron churches, schools and business buildings. The community war on fire hazards will be directed by trained insurance experts in cooperation with the Cameron Fire Department, including the Volunteer Fireman's Association, and the Cameron Chamber of Commerce.

The "fire detectives," members of the Houston Division of the Texas Insurance Fieldman's Association, are all special agents of capital stock fire insurance companies, know the "hazard ropes" and will check every business and public building from attic to basement. Fire red "Fix Mot" tags will mark the danger spots and suggestions for correcting them will be left with owners and tenants. City fire officials generally follow through by checking on the elimination of hazards.

A special kick off rally, programs in schools and service clubs, radio programs, fire drills and poster contests are being planned to make the Cameron citizenry fire prevention conscious, according to N. L. Caperton, local coordinator for the fire hazard inspection.

Caperton, while urging the support of all Cameron citizens, outlined the purpose of the fire hazard inspection as three-fold:

1. For the inspectors (insurance special agents), it provides the chance to take part in a community service project.
 2. For local fire officials, it means safer buildings and fewer fires.
 3. For building owners and tenants, it brings the recognition, and chance for removal, of common fire hazards. With fewer fires, there is a corresponding reduction in costly insurance bills.
- Nationally, fire hazard inspections began more than 50 years ago and now number more than 4,000. Texas' first community check was held in Gatesville of Central Texas during 1948. Since that time, 51 such examinations have been made, including the largest at Wichita Falls, pop. 67,709, and the smallest, a combined inspection of the tiny towns of Portland and Gregory, combined pop. 1,250.

Humble Bazaar Offers Goodies And Nick-Knacks

Preparations are in full swing this week for the annual Church Bazaar of the Humble Circle of the First Methodist Church.

The bazaar, headed by Mrs. Bill Burns, will get underway a 10 a. m. Nov. 2. A chicken spaghetti lunch will be served as well as pie and coffee throughout the day. It will close at 7 p. m. Offered for sale will be gaily decorated stuffed animal toys, aprons, Christmas decorations, kitchen supplies, candies, cakes, cookies, condiments and puddings.

Gause School Board Chairman Tells Of Excess Busses There

Mr. J. T. Todd, chairman of the School Board at Gause was in Monday to report the sale of two surplus school busses Monday. Mr. Todd is employed in Hearne. He reports that one of the school routes out of Gause dried up when the patrons moved into Gause or into Rockdale where they went to work for Alcoa. The second bus was already on the surplus list, says the board chairman.

More Milam County Jobs Open; Both Home Demonstrations Vacant

National Guard Promotes One; Enlists Veteran

Battery C, 649th Anti-aircraft Artillery Battalion reported that one new enlistment and one promotion was made in the local Guard organization during their drill period this week.

The enlistment, it said, was made by Dickie S. Jaynes, a veteran. Jaynes recently was released from active duty after completing two years service with the army. He was enlisted in his Army grade of Corporal, and was assigned to one of the Battery's gun sections. He is a railroad employee and resides here in Cameron.

The promotion was received by Private Adolph B. Jistel, who was upped to Private First Class.

Jistel had returned only last Sunday from Camp Chaffee, Ark. where he had been attending the Army's Basic Training Course for the past two months. He received the promotion to Pfc during the weekly drill period Tuesday night when he resumed training with Battery C.

Several jobs are open with the county at this time. The latest opening occurred only last week when the Colored Home Demonstration Agent resigned. This makes both the white and the colored Home Demonstration jobs open.

The job recently approved for an assistant for County Agricultural Agent Moore is still pending action of the Extension Service. In any event the appropriation of \$1250 salary and \$500 put in the Milam budget as the county's part of the salary will become effective on Jan. 1 according to County Judge, Charlie Smith. The Extension Service now has the filing of this assistant's post under consideration and would be filled by the time the money from the county become available.

In the case of the Home Demonstration jobs the money is there and is waiting only on applications acceptable to all approving parties.

The State and Federal governments at this time pay the County Agent \$4500 with Milam County paying him \$1500 plus \$500 for travel expense. The assistant to Mr. Moore will receive a combined salary commensurate with his qualifications as laid down by the Extension Service.

W. H. "Billy" Black Heads Kiwanis Club During It's Second Year

Cameron Kiwanians elected W. H. Billy Black to lead the destinies of that club during the second year of that club's existence at Thursday's meeting. Ed Laywell is new vice president and Pat Sanders, treasurer.

Under the leadership of Wiley Loughmiller, the Kiwanis Club has grown and accomplished a great deal during its first year of existence. Club membership has increased steadily. The enthusiasm of the members mounts with each month. With the beginning that the club has made, the members feel certain that the Kiwanians can be of real service through their support of such projects as the community center and the fulfillment of other such worthwhile goals was the statement issued by incoming president Black.

Board members of '55-'56 are Jack Boyce, Forrest Sapp, Wiley Loughmiller, Coleman Duncan, George Clements, Allen Dodson, Jerry Schiller and Roy Lee Thompson.

Dr. Howard spoke to the Thursday luncheon meeting on the subject of the polio vaccine and its safety in comparison to other well-known and respected serums. He praised the innovation of the electric microscope and pointed to the unfortunate incident of bad vaccine in California as undermining faith in the polio vaccine which Dr. Howard declares is now as safe for instance as the small pox serum.

A&M Class Sees Beef Processed For The Table

How does a steak move from the pasture to the dining table? Most folks know something about the production of beef animals - how they're grown, fattened and marketed. But what happens then?

A class in meats and meat handling at Texas A-M College recently spent a day finding out. Dr. O. D. Butler, in charge of the meats laboratory of the Animal Husbandry Department, took his 32 man class to Houston to see. They visited the Houston Packing Co., and the Port City stockyard. Included in the class members who made the trip was Henry Carl Hill of Cameron.

Detectives Ferret Out Fire Hazards Here November 9

Cameron will put the blitz on its potential fire hazards Wednesday, Nov. 9, when a group of trained fire detectives arrive to inspect all mercantile buildings, schools and churches in the city.

"Fire hazard inspections are not a new idea," Robert P. Kennedy Jr., Houston president of the division assures. "The plan was started nationally even before 1900 but the first Texas town to be inspected was Gatesville during 1948."

Since then, a steady stream of towns have taken advantage of this public service project of the Fieldman's Association. Such towns as Brady, Corsicana, Denison, Denton, Longview, Nacogdoches, Wichita Falls, Austin and Houston, 52 in all, have been inspected already.

The Texas town inspection program began at a Fieldmen's Association meeting eight years ago. They made themselves available to Texas communities, as a public service, without charge or obligation. Scores of Texas towns began to realize that the inspection from a debit to a credit - and spare building owners heavy insurance bills.

Cameron's Fire Chief Carl C. Caperton's inspection is just another might change the fire rating in Texas' march against fire, his work clothes.

Mr. Mack L. Harvey Dies At Little Rock

Mrs. R. L. Batte Sr. received word of the death of Mr. Mack L. Harvey at his home in Little Rock, Arkansas Wednesday night. Funeral services were held in Little Rock, Arkansas Friday, Oct. 14 at 9:00 a. m. at the Griffith and Leggett Funeral Home.

The body was then shipped to Dallas and services held there at 2:00 p. m. Saturday. The Rev. Tom Shipp officiated. Interment in Hillcrest Mausoleum.

His survivors are his widow, Mary Katherine Harvey of Little Rock; a son, Gene Kay of Cameron; and two daughters Abbie Reese Harvey, Mary Katherine Harvey, both of Arkansas.

Murder Without Malice Charge In Milano Smash Is Validated

At regular September term Grand Jury Tuesday a true bill was returned by Grand Jurors in the case of the state vs. Edgar Jones alleging that he "did unlawfully drive and operate an automobile on a public highway in Milam County, Texas while the said Edgar Loyd Jones was then and there intoxicated . . . did THROUGH MISTAKE AND ACCIDENT kill Jane Kornegay Williams. \$5000 bond was set. The indictment read "Murder Without Malice."

J. R. Bush, signed the true bill indictments at 2:15 p. m. Tuesday following an all morning session heard and three other true bills issued.

David Fowler, 26, and Clara Luc key, 22, Temple Negroes were billed the theft of 26 cartons of cigarettes from the A. A. McAvoy Grocery & Feed Store. \$1000 bond was set in each case.

Joe W. Grabener was billed in a second offense driving while intoxicated. Bond was set at \$500.

E. A. Perrin was secretary of the jury with H. L. Colburn, Leo Fuchs, J. L. Walker, Gus Backhus, F. A. Bethea, R. E. Fritz, George Fisher, G. T. Woods, J. F. Shafer and George McGehee serving as jurors.

Color Postals Will Depict Cameron Life

Pictures in color depicting the life of Cameron are being made and when one more is taken, according to O. B. Hardin, C of C committeeman in charge of the project, the post cards will be ready for printing. This committee report was made at a recent session of board members. Another report was made by president Burns on the subject of the Heart O' Texas Fair which he declared to be highly successful.

Court House Clock Just Temperamental

The weather had done it again. The temperamental Court House clock, subject to weather changes, had either lost 3 hours or gained 9. The Court House clock struck 5 when the 8 a. m. whistle blew. One is bound to be wrong and since it is broad daylight at that time the clock was obviously at fault.

When called, County Judge Charlie Smith explained that "the clock was worn out, just like every thing else" at the Court House and so had an excuse for its temperamental nature.

The International Business Machine Company had to be contacted to fix the electrically run time piece.

Texas Farm Bureau In Fort Worth Meet November 7 thru 9

Some 1500 Farm Bureau members, including nearly 500 official voting delegates, will convene in Fort Worth Nov. 7-9 at the Hotel Texas for the 22nd annual meeting of the Texas Farm Bureau.

Vital state and national issues water legislation, price supports, acreage controls, rural roads and taxes, are expected to come before the voting delegates. State policies to guide the state farm organization through 1956 and recommendations to the American Farm Bureau on national issues will be adopted by the delegates.

Three distinguished nationally known speakers will address the convention. Senator Clinton P. Anderson of New Mexico, former secretary of Agriculture and now chairman of the Joint Committee on Atomic Energy, and American Farm Bureau President Charles B. Shuman will speak at the afternoon session, Tuesday, Nov. 8. Senator Albert Gore of Tennessee, chairman of the Public Roads Committee of the Senate Public Works Committee, will be banquet speaker that evening.

Among other speakers will be TFB president J. Walter Hammond, who will make his annual address on the morning of Nov. 8.

Registration will begin at 3 p. m. Sunday, Nov. 6, in the lobby of the Hotel Texas. Vesper services will be at 7:30 that evening.

Counties with outstanding accomplishments in organization work will be presented awards and certificates during recognition ceremonies starting at 7:30 Monday evening. One of the main attractions of the meeting, the state finals of the Texas Farm Bureau queen contest, will be held off beginning at 8:30 p. m. FB districts will compete for the coveted title of queen. "FB Round Up" announcer, Goodson McKee of Waco, will act as master of ceremonies for the contest.

18 Volunteers Turn Out For Grass Fire

Eighteen volunteer firemen turned out to douse a grass fire at the J. D. Matula residence on West Fourth at 3:15 Friday afternoon.

There was no reportable damage suffered by Matula. The next door neighbor whose property was endangered by the fire is Andy Raymond.

"Operation Know How" Nov. 5 - 6 Camp Tahuaya

Citizens can go to operation "Know How" and learn or review the first requirements of scouting. Expert demonstration will be put on by the troops of the Texas District at Camp Tahuaya Nov. 5 and 6.

The officials invite citizens to "Come on Friday and make a long weekend of it, if you want to do so."

Each troop is responsible for their own food and cooking. The campsites are available on a first come, first serve basis. Tents will be available at the camp. Sunday services have been scheduled.

Troop 83 of Cameron will demonstrate Water Front Safety.

Trash Burning Illegal In Business District

Carl Black has asked that it be brought to the attention of the citizens of Cameron, especially those of the downtown district that it is illegal and will void all insurance policies to burn trash in the business district of Cameron. He asks that all business houses confine their trash disposal to the city and insurance approved trash pickups of Mr. Fuller.

This matter might give rise to the problem of the lack of adequate garbage disposal facilities for a town the size of Cameron. Most towns of equal size and population have purchased and supported more adequate facilities such as garbage trucks.

Such a step would eliminate trash burning in the business district effectively and also in the residential district.

Civil Suit Postponed

A civil suit was postponed in the court of Justice of the Peace B. G. Rice Thursday in which R. W. Wells for the Central Butane Co. and M. J. Tian are litigants. The plaintiff for the Gas Co asks for \$197.70 for gas, labor, materials and attorney fees.

C of C Board Hears All About "The Industry That Got Away"

Joe W. Raska, Brother Of Cameron Man Killed By Train At Midway

Joe W. Raska, Route One, Belton, and brother of Louis Raska of Cameron was victim of a truck train collision at the Midway cross near Belton Monday morning at 6:45 a. m.

Mr. Raska, 62, was killed instantly when a Santa Fe freight train struck his pickup at a grade crossing. It was believed that he failed to hear the approaching train as he crossed the track. His pickup was knocked some 50 feet and demolished in the impact.

Mr. Raska was born March 3, 1893, in Brenham and spent most of his life in Buckholts. He had lived in the Midway community for the past 10 years.

He was a veteran of World War I and served overseas. He was a member of the American Legion and the SPJST lodge.

Mr. Raska married Miss Anna Drizga in August, 1923.

Survivors include his widow; two daughters, Mrs. Raymond Goldman of Temple and Mrs. Johnny Cox of Vista, California; three grandchildren, his father, Joe Raska of Needville; five brothers, Anton, Bill and Adolph Raska, all of Needville, Louis Raska of Cameron and August Raska of Houston; three sisters, Mrs. J. W. Watson of Houston, Mrs. Joe Blinks and Mrs. Fred Gerken both of Rosenberg.

Funeral services held Wednesday at 10 a. m. at the Hewitt Funeral Home in Temple with Rev. Edward Goertz officiating. Burial in Hillcrest cemetery.

The American Legion were in charge of graveside services.

Ideal Chickens Win Top Prizes At State Fair

Amassing trophies from the State Fair of Texas has become a habit with the Leo and Alton Fuchs brothers of the Ideal Hatcheries of Cameron.

In truth the vast number of winner's trophies amassed by the Hatchery is only indicative of the successful operation of their business of breeding chickens which "Turn feed into eggs."

Since 1950 the firm has a list of winners in many different classes. Accumulating more each year, in 1953 they exhibited the Grand Champion Pen: Breeding Breeding Chicken Show; Best Breeder Hatchery Display of Breeding Chicken Show and Champion Commercial Laying Flock Exhibit. The 1953 list of trophies were repeated by the firm last year. This year the Fuchs won the sweepstakes trophies by taking a First, Fourth, Sixth and Ninth places. The Ideal New Hampshire places were First and Second.

One truly grand champion Ideal Hen laid 299 eggs in 300 days. That hen can truly be termed an "Egg Factory."

Social Security Representative Here Tuesday October 25

The regular visit of the Social Security Representative to Cameron will be Tuesday, Oct. 25. You are invited to contact this representative at the Department of Public Welfare at 1:00 p. m.

This community service is offered by the Austin office of the Social Security Administration for the convenience of residents of this area.

Mr. P. C. Tarver Dies At Home Of Daughter

Mr. P. C. Tarver, 81, died at the home of a daughter, Mrs. Leo Harris of Taylor Friday, October 14 at 4 p. m. following an extended illness.

Funeral services were scheduled for Sunday at 3 p. m. in the Chapel of Green's Funeral Home with Rev. Aubrey F. Russell, Pastor of the First Baptist Church in charge. Interment will be at Ben Arnold Cemetery.

Three Local Air Reserves Promoted

Several promotions in Flight B of the 9807th Air Reserve Squadron were made recently with R. E. Williams and R. G. Tumlinson attaining First Lieutenancies and R. M. Wright attaining Captaincy.

The duty is on a non-pay status and consists of two hours weekly training at the National Guard Armory. This training allows the enlisted men and officers of the Flight to retain reserve status and longevity rights in the U. S. Air Force. Headquarters for the local Flight is in Bryan according to Flight Training Officer R. E. Williams. The Cameron Flight meets each Thursday night.

Joe Zajicek Receives Lone Star Farm Degree

Joe Dean Zajicek member of Buckholts FFA chapter received his Lone Star Farm Degree at the Eagle Lake Area III Banquet held recently. He was unable to attend the State FFA convention in Houston in July because of illness.

Only 2 percent of the FFA members in the Texas Association received this honor as having one of the outstanding FFA supervised farming programs in the state. Attending the banquet also were his parents, Mr. and Mrs. Joe Zajicek and advisor Cornelius Titsworth who received his Honorary Lone Star Farmer Degree in the State Association of FFA.

Mr. Zajicek is one of the Honorary Chapter Farmer members in the Buckholts FFA chapter for outstanding contributions to farming and activities of the local chapter.

'56 Plymouth To Be Previewed In Waco Oct. 14

Mr. and Mrs. Milton and Jerry Schiller with H. C. Gibbs and Homer Allen with some 10 Cameron special guests witnessed a special preview of the 1956 Plymouth cars, featuring aerodynamic styling and many innovations for safety and performance, for Plymouth Friday, Oct. 14, at the Heart of Texas Fair.

This preview was one of 135 held in all parts of the country to acquaint dealers with the many new features of the cars before the 1956 models go on display in showrooms. Following these previews, dealers will launch a series of training meetings for their service and sales personnel to acquaint them with the mechanical changes.

"What new industry has the Chamber brought to Cameron lately?" is a \$64 question frequently asked in the chamber of office and of the various members of the board and of the organization.

Well the Chamber board met at noon Friday and talked about "The one that got away."

Seems the TP&L Company sent an official of that company to Cameron along with a manufacturer of children's garments in search of a location suitable to the manufacturer and to a live-wide awake town that was ready to PAY enough to move the business to their town. Well no one in the Chamber was asleep but they didn't have the fast answers to questions broached by the "prospect." The man who was going to move a business which hires 30 people and has a weekly payroll of \$1000.

It would take \$6000 to move the machinery and set it up in our fair city.

He seemed very interested in coming to Cameron. He also went to Mart and Belton, Texas, and both towns were impressed as the Cameron Chamber was an stated that the money would be available for him. He had not decided anything definite when he went back to Dallas and a day or two later a group of citizens went to Dallas from Mart to visit his plant and to talk further with him. They again said the money was available right then and they wanted the new industry to move to Mart as soon as possible. The gentleman told them that Mart would be his choice.

At the directors' meeting, President Burns related this same story and then stated "We waited and took our time and the money was not readily available and this one got by us." Directors agreed that information would have to get past our Industrial Committee to the members of the Chamber and to the community in order that our people realize how important industry would be to Cameron and that an Industrial Fund should be foremost in our minds. Members of the Chamber will begin, soon, receiving questionnaires, and literature to form a plan or formula that can be used to secure new industry.

Kiwanians Train Tejas Leaders

The Tejas District of Boy Scouts of America, including Milam and Falls counties will have leader training programs for the next three Thursdays under the guidance of committeemen from the Cameron Kiwanis Club, Leland Green III, secretary of the Kiwanians announced Tuesday. A final training session, will be held at Camp Tahuaya, near Belton. The date for this session is not scheduled at this time.

Kiwanians on this Scouting Committee are Dr. John Bryson and Rev. H. M. Bowley in charge of Cub Leader training; Wiley Loughmiller and Forrest Sapp doing the Boy Scout Leader training and Robert Nelson and Leland Green III qualified to train the Explorer Leaders. Edwin Laywell is chairman of the Kiwanis committee and is qualified to train the leaders in any of the three groups.

Chamber Gets A Paint Job

The Chamber of Commerce office is getting a bit of a face lifting this week.

The files, cabinets, and a few other articles of office furniture, have all taken on a glossy ivory grey tone over the old varnish job. The floor also received attention with a couple of blue grey coats. Venetian blinds at the windows, badly needed for quite some time, put the finishing touches on the face lifting job.

Mrs. Smitherman expressed the hope that the office would be back in order by next week. Bill Black warned anyone visiting the Chamber in the next few days to wear his work clothes.

Yule Carnival December 5

Plans were begun for the annual Trade Development Committee Christmas carnival parade when tee of the Chamber of Commerce met Tuesday.

A complete fun day, scheduled for Monday, Dec. 5, has been

planned to include a big parade at 2:30 p. m. with visiting bands, floats, horses, and Santa Claus riding atop a big red fire engine.

Street entertainment has been planned to continue into the evening hours. Chairman Narvie Caperton stated "We hope merchants will work in some special values for this day, as it will fall on Dollar Day."

A complete program for the Christmas Carnival and parade will be completed and available for publicity soon.

Entered in the Postoffice at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 8, 1879.
Published every Thursday. Subscription rates: In Milam County \$1.75 per year; outside county, \$2.75; out of State \$3.50.

Humble to Highlight S. W. Conference Games

The most exciting plays from three Southwest Conference football games will be featured next week on The Humble Company's TV program, Texas in Review. Kern Tips will describe highlights taken from the TCU - Texas A & M, Texas - Arkansas and Rice - SMU games.

Another feature will be films of the State Fair at Dallas, showing the construction of exhibits and booths, the official opening, and Fair activities now in progress.

Other films will include the story of rice processing from field to dinner table. Also to be shown are pictures of the 25th Anniversary of the discovery of the East Texas Oil Field, in conjunction with Oil Progress Week.

markup is unrealistic and impractical, and is a method unknown to the retail grocery business. This contention was borne out by the testimony of witnesses, not only called by the defendants, but witnesses called by the plaintiff.

In the course of the hearing, testimony was given regarding the trading stamp war that took place in Denver about two years ago, during which several supermarkets of that area issued multiple trading stamps to their customers. When this stamp war reached the point at which one grocer issued four stamps for each 10 cent purchase, the stamp companies announced to the public that from then on the practice of issuing more than one stamp with each 10 cent purchase would be discontinued.

Safeway Stores took the position that trading stamps were a form of price competition and that Safeway and all other non-stamp grocers have the right to regard stamps as a price-cutting device.

4699 Texans Enter Armed Forces In September '55

A total of 4,698 Texans was reported to state Selective Service as entering the armed forces during September, 4,249 being reported as separated during the same period.

Of the 4,698 individuals entering the Army, Navy, Marine Corps, Air Force, and Coast Guard, 4,135 went in by enlistment or other voluntary means, the remaining 563 being drafted. All drafted men went into the Army.

"Most of the drafted men actually were volunteers," Lt. Col. Morris S. Schwartz, state Selective Service director, said. "A majority of the men going into the Army through the draft boards for the past few months have volunteered for induction."

Selective Service local boards sent only 72 men for physical-mental examinations in September. Of this number, 56 were found acceptable for service.

During September, Texas draft boards registered 5,053 males, nearly all of them 18 year olds. Under current authorization from the Director of Selective Service in Washington, these 18 year olds cannot be drafted until they are 21.

Of course, a man can be drafted at a younger age if he becomes delinquent with his local board, Col. Schwartz pointed out, and he can volunteer at an earlier age, too.

Texas draft calls for September and October are a little above 500, but the November call will be above 1,000 because the Navy is asking for men that month.

Texaco Dealers Schooled

E. A. Perrin had an evening meeting at the Milam Coffee Shop Thursday for the benefit of his new Texaco dealers, instructing them in the sales points on Texaco products.

Edison Fikes, Pat Sanders and Charles Maddox of Cameron and Messrs. Rodam and Curry of Rockdale heard the values of Havoline Motor Oil, Marfak Grease and Texaco P. T. anti-freeze and Texmatic fluid for automatic transmissions extolled by Dan Markel, Texas Company Representative of Houston.

Mr. Herman Kahnke will be a business visitor in Brenham for the next few days.

Boy Invites Boy Is Scout Slogan

"Boy Invites Boy" has become the slogan of the Roundup to be 2,800,000 boy members of the Boy Scouts of America from now until Dec. 31. Plans are being made wherein each member will be asked to personally invite a boy to his meetings and to enjoy their programs.

Periodic tests over the years have shown that three of every four boys desire to become Scouts. Currently the organization is enrolling one of every five boys of ages eight through seventeen.

Each unit has set its own goals for growth, individual advancement and increased indoor and outdoor activities.

Scout officials believe that the "Boy Invites Boy" method of attracting new members is best because records show that in the past many boys did not join scouting merely because no one invited them.

Scouting recognizes the fact that boys want to be a vital part of a gang - their own gang, under their own leadership. As he enters the movement the boys is accepted by fellow scouts into a real boys' gang, the den of the cub pack, the patrol of the Boy Scout troop or the crew of the Explorer unit.

Cub Scouting is for boys 8 through 10 years of age. Boy Scouting is for those 11 through 13 and Exploring starts at 14 years of age and has three branches namely, exploring, sea exploring, and air exploring.

Within the small group in the unit the ideals of scouting are made effective through cooperative helpfulness of one member on towards the advancement goals one for all spirit spurs each boy toward another. The "All or none, the group has set or itself."

Roundup plans of the Heart O Texas Council whose headquarters are in Waco, were announced by President Roy Smith of Killeen. The Council has set a goal of 1800 new members by Dec. 31 in the Council Nine county area, with each district of the council accepting a share of the 1800. Texas District will try for 140 new members.

Taking a leading part in the Roundup will be the district commissioners.

Each unit in council has accepted a roundup goal.

The Heart O Texas Council of the Boy Scouts of America is a participating agency of United Fund in Belton, Temple, McGregor, West, Waco and Mexia, Community Chests of Killeen, Cameron, and Fort Hord. On October 25 Scout Drive will be held in 40 other communities of the Council where there is neither United Fund or Community Chest.

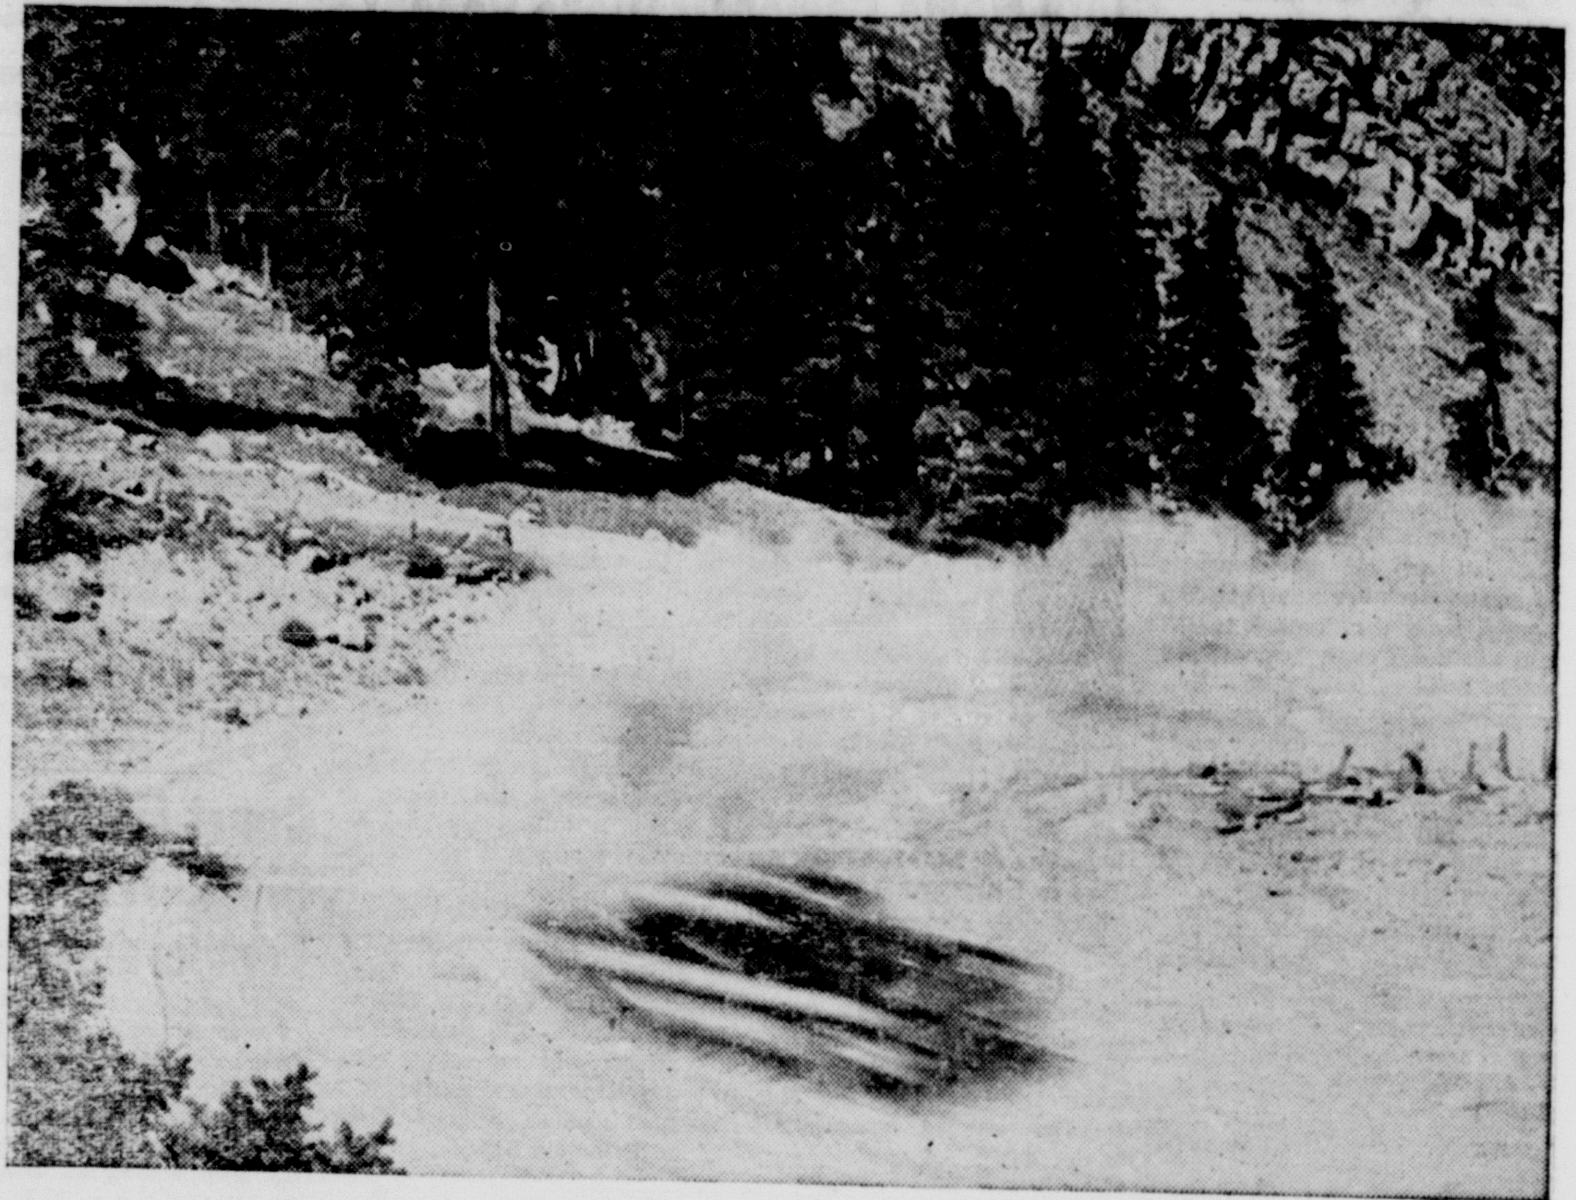

Lu Wane Asher has just recently been promoted to society editor of the Lariat, the daily publication of Baylor University. Miss Asher had been serving the paper as assistant society editor.

Chester L. May Elected Director Of Gas Association

Chester L. May, senior vice president, Lone Star Gas Company, Dallas, was elected a director of the American Gas Association today at the 37th annual convention of the association in Los Angeles. He was elected for a two year term, expiring in October, 1957.

The American Gas Association is the national trade association of the fifteen billion dollar gas industry. Its membership includes the leading gas utility and natural gas pipe line companies, as well as gas appliance and gas equipment manufacturers from the United States and Canada. Nearly 4000 delegates attended the three day meeting which was held in Los Angeles in connection with the annual convention of the Pacific Coast Gas Association, Oct. 17, 18 and 19.

Pamphlet on Wrapping Parcels For Mailing Now at Post Office

Helpful facts about wrapping and shipping packages are contained in a well illustrated pamphlet entitled "Packaging and Wrapping Parcels for Mailing" available free at the Cameron Post Office Oct. 15. Postmaster John R. Hays announced today.

"If used in conjunction with the free pamphlet, 'Domestic Postage Rates and Fees', issued a few months ago, this pamphlet should answer practically all questions any user of the mails might have on fees, rates, special services, and protection of parcels in transit," Mr. Hays commented.

The postmaster emphasized that much of the delay in delivery of parcels, particularly at Christmas and most of the damage enroute is due to lack of knowledge of basic rules to follow in mailing packages.

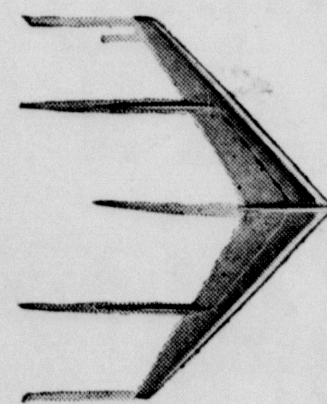

"I hope the patrons of the Cameron Post Office will avail themselves of these two free pamphlets which will answer most of their mailing questions, demonstrate the best methods of packing goods, and help the postal employees throughout the nation in their important work of moving the huge volume of Christmas packages," Mr. Hays said.

THE STAR CHIEF 4-DOOR CATALINA

Introducing A BIG AND VITAL GENERAL MOTORS "AUTOMOTIVE FIRST"!

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

With all that's newest in glamour—and all that's greatest in "go" — the fabulous '56 Pontiac now awaits your hands on the wheel.

And when you drive it, you will get the biggest thrill in all your motoring experience . . .

. . . because this car is really loaded!

The big and vital General Motors "First", which heads its long list of look-ahead features, couples the two most advanced high-performance developments in the automobile industry.

1. An all-new, big-bore Strato-Streak V-8, placing 227 blazing horsepower at your toe-tip.

2. A completely new Strato-Flight Hydra-Matic* that delivers this terrific "go" with a smooth surge of power at any speed.

With this great team, you now sweep swiftly from take-off to top performance with the silent ease of a sailplane.

You slow down for traffic, speed up for passing, or gun for a high hill with the changing pressure of your toe on the accelerator the only sign of effort.

You may have had it smooth before—but never like this! It literally must be experienced to be believed.

That's plenty—but there's a lot more important news

to make today a date that you'll long remember.

There's smart, new beauty and luxury for America's most distinctive car . . . the safety of big brakes and road-hugging size . . . the security of a smooth new ride and sure-footed cornering.

There are many, many other things which mark this beauty as the glamorous pattern for tomorrow's cars. But come in and see for yourself. Take a long look at the six luxurious new Four-door and Two-door Catalina hardtops. Sample, in person, the fabulous results of the great General Motors "First".

Sure as you enjoy thrilling action, here's your car!

*Optional at extra cost.

SEE AND DRIVE IT!

Council Admonishes Yoe Body "Keep The Yoemen Spirit High"

The Student Council hasn't let any grass grow under its feet this year. They let the football team know that they are backing them by making posters for the games, selling ribbons, and presenting skits at the pep rally.

The entire Council has made posters and all of the members have sold ribbons. Participating in the Caldwell - Cameron game skit with the Cheerleaders were Nick Nabours, Rita Moraw, and Peggy Burke. Taking part in the Navasota - Cameron game skit were Billy Hensley, Nick Nabours, and Billy Knipp.

The Council wants to thank the student body for buying ribbons and keeping that "ole" Yoe spirit. The Council does want to say to each of the students, "Don't forget that we are on display at all times. So let's keep our sportsmanship, citizenship and Yoemen spirit high."

Recess Popular At Ben Milam

The first graders in the Ben Milam School are now seasoned students of six weeks standing. This has been a period of readiness, in which the child has become adjusted to school environment.

Each pupil has completed a book for reading called "Working with numbers," and already the boys and girls are becoming familiar with numbers and number concepts. Much labor has gone into the teaching of manuscript writing which will be used throughout the year. Music, art, literature, and science add spice to the fundamental subjects.

The four first grade teachers report that the children are now beginning to realize that school is really "Reading, Riting and Rithmetic" rather than "rip, roar, and run." However if the first graders were asked their favorite time of the school day, perhaps most of them would answer RECESS.

Yoe 'Worm' Club Elects Officers

The Library Club had its first meeting on Tuesday, September 27. During the meeting, Miss Jamison explained the purpose and plans of the organization. The officers for the year are as follows: president, Rosemary Jones, vice president Nick Nabours, secretary Anita Trdy, treasurer, Don Howard, reporter Joyce McLain.

The Library Club of 1954-55 had approximately fifty members. This year the club already exceeds that number. Although we are glad to see that a group as large as that is interested in the library and its work, it also presents a problem. It has been suggested that we divide the club into two different groups, either by alphabetical order of last names or by the division of classes. Although it is early in the year, they are anxious to get the club organized and to begin work.

The club feels sure that they have a great year to look forward to.

Three Ultra Ultra Kitchens Displayed At State Fair

Three ultra - modern kitchens, the world's largest display of built - in and conventional gas cooking units, a teen - age head quarters room, a Texas - size "ice - maker igloo" and complete displays of gas air - conditioning, heating and laundry equipment will be features of Lone Star Gas Company's exhibit at the 1955 State Fair.

The three beautiful, practical gas kitchens, copied from the pages of Woman's Home Companion will offer the homemaker the ultimate in kitchen planning ideas. Highly - trained Lone Star Home Economists will be on hand from 9 a.m. to 10 p.m. each day of the Fair to discuss and demonstrate the many outstanding features of the kitchens.

Miss Bernice Strawn of New York City, Home Equipment Editor of the Companion, who supervised the work of designing the kitchens for her magazine, will fly to Dallas Wednesday, Oct. 12, and will be available for consultation on kitchen planning Thursday and Friday, Oct. 13-14.

Theme of this year's Lone Star exhibit will be "Companion at the Fair."

The great, beautifully - appointed

ed range room, housing the world largest display of modern gas ranges, will offer many ideas leading to more efficient and more comfortable operation of the kitchen.

The 28 conventional gas ranges and 10 built - in gas cooking units - produced by more than 30 of America's major gas appliance manufacturers - represent the combined genius of the nation's foremost designers and developers of modern gas appliances.

Now is the time to thoroughly inspect and adjust heating equipment. Don't wait until heat is needed in the home to make sure the equipment is ready for the winter use. Proper care now will greatly reduce chances for accidents or fires in the home.

Warning Devices Homes In 1955 To Have Own

Engineers working with the Federal Civil Defense Administration now are convinced that within the next few years, 99 percent of American homes can be equipped with a warning signal to alert families of enemy attack or a civil defense emergency.

Research funds for a home-warning system were made available for the first time under the current FCDA budget, although studies in this field have been under way almost from the time civil defense was first organized. FCDA's warning and communications office has long recognized that the present system of siren warnings is not completely adequate in that it cannot reach all areas and that the sirens are not always audible to many people who are indoors.

Since the goal is to alert 100 percent of the population in times of possible danger, it is accepted that an indoor signal must be developed which will supplement the outdoor sirens, or warnings broadcast by radio.

FCDA does not envision the indoor signal system as supplanting other warning methods. Instead it is thinking along the lines of a signal to call attention to the possibility of impending danger and to make sure that everyone gets the information which is being transmitted by radio or other means. Obviously such a system would have a value beyond its use in event of enemy attack. It could be used to alert the public in time of immediate danger and send those at home to their radios where they would hear bulleting and receive instruction.

The home signal device would be priced under \$10, and would use a negligible amount of electrical power. One of these devices has been successfully tested on a small scale.

BURLINGTON NEWS

Mr. and Mrs. Awal Sitz and family of Houston were here for the Oscar Sitz funeral. Mrs. Sitz and children remained in the Ben Fox home for a few days visit with relatives.

Mr. and Mrs. Bill Collins and daughter of New Braunfels were here for the Oscar Sitz funeral and remained in the Sparlin Collins home for a few days visit.

Quite a few Burlington folks attended the Westphalia picnic.

Bill Matyastik is able to be home from the hospital and getting around, but his neck is still in a brace.

Capt. and Mrs. Thomas White of Arlington, Va. are the parents of a little son born Oct. 10. He has four little brothers. Mrs. White will be remembered here as Miss Ruth Marek.

Internal Revenue Service Examinations To Fill Vacancies

R. L. Phinney, District Director of Internal Revenue, Austin, Texas, reported today that the Board of U. S. Civil Service Examiners has reopened the Internal Revenue Agent, GS-5, examination, under Announcement No. 8-9-5 (1955). The register established from this examination will

be used to fill vacancies existing at this time and additional positions to be established on July 1, 1956.

Application Form 5000-AB may be obtained at Post Offices. This form when completed should be mailed to the Executive Secretary Board of U. S. Civil Service Examiners, Internal Revenue Service, 1114 Commerce Street, Dallas, Texas by Nov. 1, 1955 for admission to the examination to be given on Nov. 19, 1955.

The requirements for entrance into the examination are three years' experience in accounting; or applicants may substitute for the three years of experience a college degree with 24 semester hours of accounting. Applications will be accepted from students who are otherwise qualified and who expect to complete all

of the courses required for qualification by June 1, 1956. Students who qualify on the examination may receive provisional appointments prior to completion of the required courses, but may not enter on duty until all of the required college courses are completed.

The entrance salary for the Internal Revenue Agent GS-5 position is \$3670 per annum. However, after six months of on-the-job training and satisfactory performance, applicants selected will be eligible for promotion to GS-7 positions with salary of \$4325 per annum.

Mr. and Mrs. George Childress returned to Cameron Friday from a trip to New York City and Connecticut.

Milam Pays Big Rice Bill
Justice B. G. Rice turned in a bill to the Commissioners Court for 100 cases tried in September. At \$4.00 per case. The Judge was declared by the Commissioners to be doing a fine job. This fact however did not keep them from entertaining facetious notions to disallow the claim.

There is still time to plant winter legume cover crops. However, if moisture conditions are favorable they should be planted by Nov. 1 for best results. Winter legume cover crops play a very important role in a good soil and water conservation program. In addition to providing a cover for the land during the winter and early spring which protects the soil from washing, legumes also add nitrogen, improve soil structure, and when they decay they add organic matter and furnish food for the organisms that live in and give life to the soil.

Vetch, winter peas, hubam and melilotus indica clovers are all well adapted for blackland soils. Madrid sweet clover is also well adapted on blackland where cotton root rot is not a problem. These crops should be fertilized

with 200 to 300 pounds of 20 percent phosphate fertilizer or its equivalent per acre.

For sandy soils vetch, winter peas and melilotus indica clover are well adapted. Where hubam sweet clover is to be planted on sandy land a soil test should be made to find out if the soil has sufficient lime to grow hubam successfully. A mixture of oats and vetch has also given very good results as a cover crop on sandy soils. On the deeper sands more commonly referred to as "sugar sands or blow sands" a mixture of abuzzi rye or oats with vetch is especially recommended.

Since sandy soils are more depleted in plant food than blackland soils, the legumes on sandy land should be fertilized with 200 to 400 pounds of 5-10-5 ferti-

zer or its equivalent per acre. All legume seed should be inoculated with the right kind of inoculant when the planting operation is performed.

A good job of improving pastures on sandy land that have a poor or scattering stand of Bermuda grass can be done by over-seeding these pastures with a mixture of oats and vetch in the fall. Where this type of pasture improvement work is to be done the land should be disced or some other type of good land preparation should be done prior to the seeding operation. The seeding rate and fertilizing should be done about the same as recommended for cropland. This method of pasture improvement will provide cover and furnish grazing during the late winter and spring. The cultivation and fertilizing that will be done in connection with the seeding operation will cause the Bermuda to grow and spread and in this way a good Bermuda pasture can be developed economically in a few years time.

Land owners from Zone 2 have elected Henry Pumphrey from Taylor to serve as a member on the board of supervisors for the

Taylor Soil Conservation District. Mr. Pumphrey replaces W. A. Lannen from Taylor who was not a candidate for re-election. Mr. Lannen had served as a supervisor for Zone 2 since 1940 when the district was first organized. The Mississippi River annually dumps into the Gulf of Mexico almost a billion tons of topsoil. If put in a line of 10 ton dump trucks placed end to end, they would reach from Alaska to the southern tip of South America, a distance of more than 9,000 miles.

Daniel To Address Cattle Leaders

Senator Price Daniel will be the featured speaker at the Texas Beef Council's Beef Supper in Fort Worth Oct. 31, Council president Leo Welder announced today.

The occasion will be the cattle industry's second state-wide celebration if Book Week, which will be Oct. 30 - Nov. 5.

Leaders in the cattle industry and allied fields will attend the dinner, which will be held on Exposition and Fat Stock Show.

Proof: Rudolf's Nose

The agriculture department has come up with some facts about milk in a new pamphlet. For rich creamy milk a reindeer can't be beat. And a water buffalo also gives richer milk than a cow. But cow admirers can relax. A cow's milk is richer than a camel, llama, donkey and mare.

Mrs. Jimmy Asher was in Dallas this week where she served on the State W. M. U. nominating committee of officers for the coming year.

Frank Ermis of Austin has been spending some time in the home of his daughter, Mrs. John Michena. While here he was a medical patient at Newton Memorial hospital.

Gasoline, kerosene and cleaning fluids improperly used often turn a peaceful farm into a holocaust of flame. Store and handle them the same way.

**Final Rites Held For
 Mrs. Frank Angell
 Monday Afternoon**

Mrs. Frank Angell died at St. Edward Hospital Oct. 15, 1955 after a few years of illness. She was born April 12, 1885 in Milam county and lived here her entire life. Her husband preceded her in death February 1954. She was a lifelong member of Walkers Creek Baptist church and had been active in church work and devoted much time to help the sick and needy until her health prevented it a few years ago.

Among her survivors are her mother, Mrs. Sudie Rogers of Cameron; two daughters, Mrs. A. L. Schlemmer and Mrs. G. A. Ransons, B. F. Angell of Brazoria,

L. C. Angell of Houston, Montie Angell of West Columbia; four brothers, Frank Rogers of San Gabriel, Charlie Rogers of Rockdale, and Kelso Rogers and Dave Rogers both of Cameron; five sisters, Mrs. T. J. Burks, Mrs. Will Gilbreath, Mrs. Ed Burkes, Mrs. Homer Smith, all of Houston and Mrs. Eddie Reed of Waco.

She is also survived by nine grandchildren and six great grandchildren.

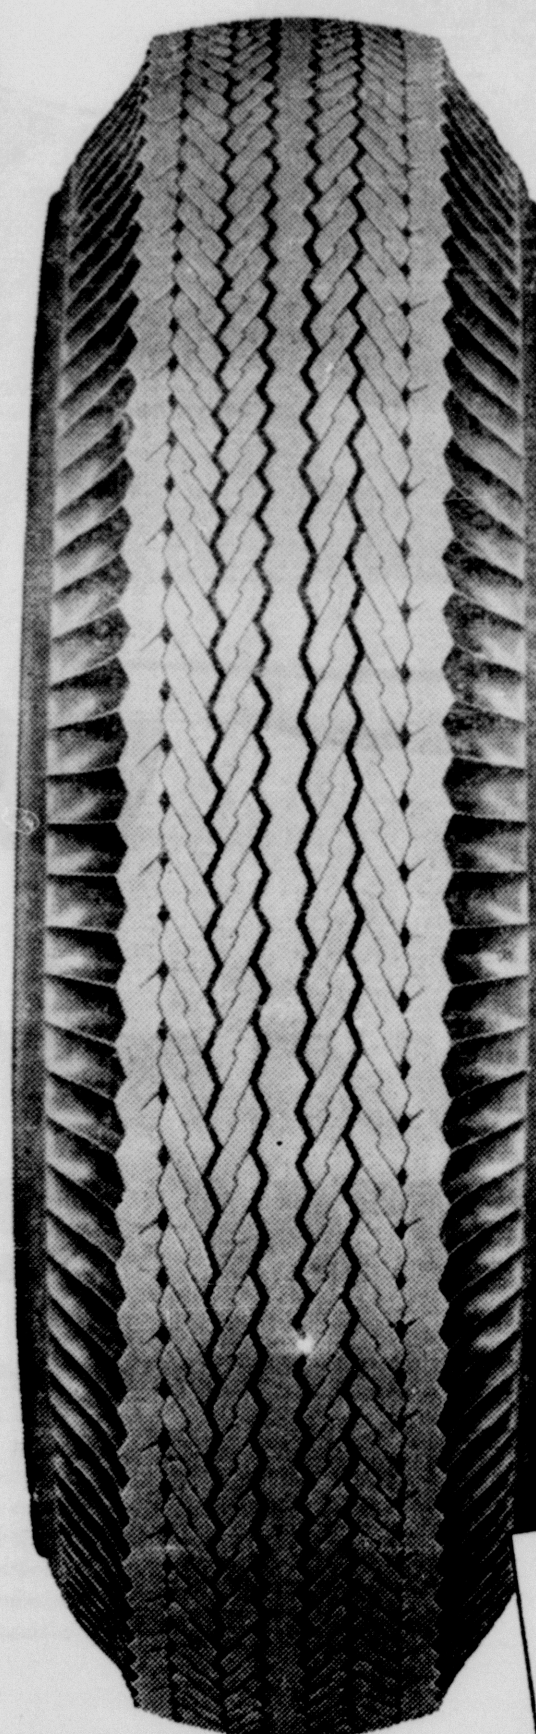

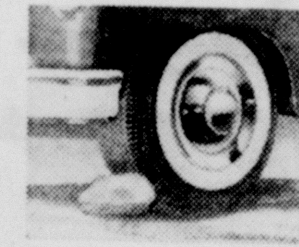

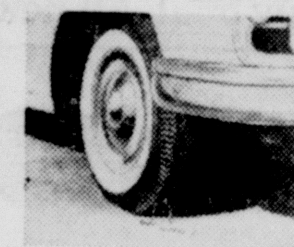

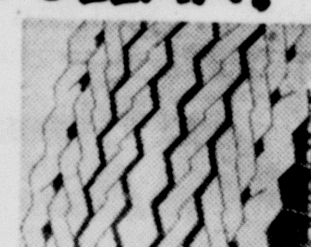

Funeral services were scheduled at 2:00 p.m. Monday, Oct. 17, at the Chapel of Green's Funeral Home, with Rev. A. F. Russell, pastor First Baptist Church officiating. Burial in Walkers Creek cemetery under direction of Green Funeral Directors.

Active pallbearers were Jim Majors, George Baskin, John

Jinks, Elwood Chamberlain, Harvey Chamberlain, L. C. Boyd, Roy Hightower, Oscar Hightower and Henry Reeves.

Zackie Griffin of Dallas spent the weekend with home folks Mrs. Ora Griffin and with friends in Rogers Sunday.

 TIRE
 ON YOUR CAR**
**Just when you need extra non-skid
 protection for wet, dangerous fall driving**
**GREATER SAFETY...
 MOST MILES PER DOLLAR!**

BLOWOUT PROTECTION
 There's no tube to pinch or explode! Inside this tire there's a Safety-Liner, which slows air loss and reinforces the tire in the event it should be injured... instead of a dangerous blowout you get a harmless slow leak.

PUNCTURE PROTECTION
 If a nail, or any sharp object should penetrate this tire, the Safety-Liner grips it and slows the air loss... No sudden flat tires, no need to change flats on the road.

SKID PROTECTION
 Newly designed silent tread has 70% more angles and skid-protecting edges. Won't squeal, hum or whine because tread elements overlap to prevent rhythmic vibration.

SAFETY-TENSIONED GUM-DIPPING
 Firestone's new cord treating factory combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords, prevents dangerous tread cracking. The result is greater blowout protection and longer tire life.

 You can get this
 Tire either with
 a Tube or
 Tubeless!

Humplik Farm Store Celebrates Adding Of Nutrena Feeds

Activity at the Farm and Ranch Feed Store will pick up on Saturday when the owner, Joe Humplik celebrates the addition of a new line of feed.

Nutrena is the line of feed which Humplik is so proud to gain and to express this pride he is giving a Maytag Freezer and several other prizes to some of the people who come down to see him and hear him boast about Nutrena. He is going to serve refreshments all day long, 8 a.m. to 5 p.m.

Joe Humplik was born in Temple in 1920 and moved to Milam County in 1932. In '39 he began working in Esslinger's Feed Store in Cameron. Spent three years in the Army.

The Farm and Ranch Feed Store began operation at 511 Batte St. in 1939.

Humplik is a Legionnaire, E.C. Scout master of Troop 32, a member of the Chamber of Commerce, and from what he says is a good prospect for the Down Town Quarterback Club which is coming up.

WHAT'S COOKIN'?

That's the question asked over radio station KMIL every day, Monday through Friday at 11:45 a.m. And if you know the answer, you win cash money and free groceries! Each day the jackpot grows by one dollar in groceries! Contestants are chosen at random from the telephone book and called during the program each day. Those who do not have phones have a chance to win, too. If their recipe is used as the mystery recipe, they receive one half the amount received by the telephone contestant. Everybody wins. And it's lots of fun to play. Be sure to tune in tomorrow to "What's Cookin'" on station KMIL.

Barney Sparks, conservation farmer north-east of Rogers, terraced 100 acres of cropland this week. Approximately 7 miles of terraces were constructed in the field. Waterways were established to Bermuda Grass the last part of 1954.

Richter-Zarosky Rehearsal Party At Bill Richters

Mr. and Mrs. Bill Richter held the rehearsal dinner for the Richter-Zarosky wedding party in their back yard on Monday night Oct. 3.

Mrs. Richter served a buffet dinner of baked ham, tossed salad, new potatoes, green beans, beets, pickles, olive, and iced tea. For dessert she served angel food cake squares topped with whipped cream and strawberries.

Those attending were the bride and groom, Marjorie Richter and Joe Zarosky, Mary Frances Zarosky, Leola Richter, La Verne Michalka of Austin, George Zarosky, Albert Gerick and Albert Paul Richter of Austin. Also Mr. and Mrs. Rudolph Richter, Mr. and Mrs. Joe Zarosky Sr. and Bernice and Mr. and Mrs. W. J. Byford of Bryan.

W. H. Ezzell's Have Get — Together

The home of Mr. and Mrs. W. H. Ezzell was the site for a family get-together Sunday when thirty-two family members including eight of their eleven children and families attended.

Covered dish dinner was served family style from long tables in the spacious dining room at the noon hour.

Those attending from out of town were Mr. and Mrs. W. F. Ezzell of San Bernardino, Calif., Mr. and Mrs. Raymond Saage and children of Rosenberg, Mr. and Mrs. Derl Warren and children of Rogers, Mr. and Mrs. Adolph Pick and children of Taylor, Mrs. Minnie Bryant, Freeport, Mrs. Mammie Carter, Bellaire, Mr. and Mrs. J. M. Mitcham, Mr. and Mrs. Henry Michalka and children, Mr. and Mrs. Lawrence McClaren all of Cameron and Mr. and Mrs. Marvin Mitcham, Mr. and Mrs. Cecil Criswell and Mr. and Mrs. L. N. Ezzell of Buckholts.

Guests in the home of Mr. and Mrs. D. H. Slaughter were Mr. and Mrs. J. R. Pendergrast of Denver, Colo. They were enroute to their winter home in the Rio Grande Valley.

Charlotte Peacock Honoree At Farewell Fete

Mrs. Gene Smitherman was hostess for a farewell party honoring Charlotte Peacock, Thursday night, Oct. 13. Mrs. Peacock will leave Cameron Sunday morning to join her husband who has been in training in California for the past three months.

After games of bridge and 42, coffee and cake were served to the guests. The two cakes were shaped like letters with the words "Dear Charlotte, Farewell, Sincerely, The Gang" iced in pink.

A tape recording was made of the party and presented to the honoree along with a luscious matching sweater set.

Halloween Theme Is Decoration For The 42 Leisure Club

THE 42 Leisure Club met at 2 p.m. Oct. 13 with Mrs. Charles Payne whose home 2 miles out on the Salem Highway was decorated in Halloween theme.

Mrs. Henry McLane was high scorer and Mrs. L. F. Slama was runner up with Mrs. Leo Fuchs taking 84 honors.

Mrs. Vinco Lesiker was the visitor for the day.

Next meeting will be with Mrs. Leo Stecker on Oct. 27.

Mrs. Hickman Hostess Home, Garden Club

Mrs. E. B. Yager presided over a brief business session. Program chairman Mrs. Robert Glenn introduced the speakers Mrs. R. K. Fontaine, Mrs. E. B. Yager, Mrs. S. S. Hickman and Miss Ethel McKinney who discussed health and nutrition.

The hostess served a salad course and iced tea to the 13 members and one guest Mrs. Jack Stidham.

Mrs. B. Hunt White spent the weekend at the home of her parents on their ranch near Lampasas.

For All-Day Entertainment Listen To KMIL, 1330 On Your Dial

Formal Rites Unite Marjorie Richter and Joe D. Zarosky Jr. October 4

A formal early morning ceremony at St. Monica Catholic church in Cameron Tuesday, October 4, was the scene of the double ring rites of Marjorie Richter and Joe Zarosky Jr.

The bride is the daughter of Mr. and Mrs. Rudolph Richter of Cameron and the groom's parents are Mr. and Mrs. Joe Zarosky Sr. of Cameron.

Father Leonard Burkemper of Cameron read the nuptial vows before an altar flanked by two baskets of high white mums and banked in greenery.

The organist, Mrs. Frank Hanel played "Mother At Thy Feet We are Kneeding" and "Ave Maria".

The bride, presented at the altar by her father, wore a lace and tulle gown over slipper satin fashioned with fitted bodice and scalloped v-neckline enhanced by seed pearls and sequins and long tapered sleeves coming to points on her wrists. The full skirt was fashioned with lace points mid-

way to the hem. Her veil fell from a half hat of lace adorned with seed pearls and sequins. She carried two white orchids atop a prayer book.

The maid of honor, Mary Frances Zarosky of Cameron, and the bridesmaids, Leola Richter of Cameron and La Verne Michalka of Austin, wore identical dresses of a deep turquoise net over taffetres with face veils.

They carried bronze mums.

George Zarosky of Cameron served as best man and groomsmen were Albert Gerick of Cameron and Albert Paul Richter of Austin. Ushers were W. J. Byford of Bryan and Neat Zarosky Jr. of Cameron.

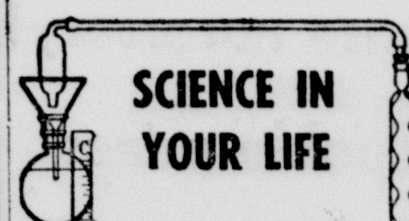

The decorations for the reception held in Simon George Hall were mums. The three tiered cake, each layer separated by swan pillars, was decorated with white rose buds and topped by a miniature bride and groom and three bells.

Mrs. Louis Hollas of Cameron poured and Mrs. W. J. Byford, sister of the groom from Bryan, served the cake. Bernice Zarosky of Cameron, sister of the groom presided at the bride's book. Others in the house party were Mrs. Jay Reid of Waco, Mrs. Paul Matacha of Austin, Miss

For a honeymoon in New Orleans the bride wore a black suit Patsy Michalka of Austin and Mrs. Edward Brantley and Mrs. Thomas Sheguit, both of Cameron.

The bride's mother wore a navy dress, black accessories, and an orchid corsage. The mother of the groom wore a navy dress, black accessories, and an orchid corsage.

with rose accessories and a corset and half hats similar to the sage of two white orchids.

SCIENCE IN YOUR LIFE

Medical Martyrs

All too few persons recognize the hazards encountered by members of the medical profession. The physician—carrying the answer to almost every disease problem in his black bag—often is considered impervious to the ailments he so successfully treats.

That is far from being the case. Medical history records innumerable incidents in which the physician has become a martyr. The influenza virus, for instance, recognizes no professional bounds and can infect the physician as well as the carpenter.

More striking than these incidental exposures are instances in which physicians have deliberately infected themselves in do-or-die attempts to learn more about deadly ailments and their cures.

One of the most famous of these medical martyrs was Jesse William Lazear, who was convinced that mosquitoes transmitted yellow fever. He proved his point by allowing himself to be bitten by a mosquito known to have fed on a yellow fever victim. Seven days later, Lazear was dead.

Lazear's colleague, James Carroll, buttressed his dead friend's theory when he also allowed himself to be bitten by an infected mosquito. Carroll contracted yellow fever, but survived.

Medical heroism continues today with "volunteers" testing new drugs and vaccines. Dr. Jonas Salk injected himself and, later, his children with his killed virus polio vaccine before he attempted any widespread injections.

Garden Club Plans Workshop Trip To Gatesville Nov. 2

The Civic Garden Club met in regular session Oct. 13 with Mrs. Leo Fuchs president in charge.

The club voted to sell "The 1955 Flower Arrangement Calendar." Delegates plan to attend the Division II, District V workshop and meeting Nov. 2 at Gatesville.

Several members are to continue their training at school V in Temple Oct. 19, 20, and 21.

Mrs. R. G. Grabein program chairman introduced the speakers for the mornings program. Mrs. Edwin Adams used for her subject Grading and Soil Preparation and Permanent Lawn Area. Mrs. Leo Fuchs discussed enclosing the property and miscellaneous Garden Features.

Crescent arrangements were furnished by Mrs. W. R. Newton Sr., Mrs. J. D. Moore and Mrs. Albert Horstmann and were judged by the club.

Courtney - Childers Nuptial Rites At Huntsville

The Student Union Chapel of Sam Houston State Teachers College at Huntsville was the scene of the September 29 wedding of Miss Evelyn Maurice Courtney to Mr. William Edward Childers.

Parents of the bride are Mr. and Mrs. Maurice Courtney of Cameron, Texas. The groom's parents are Mr. and Mrs. M. L. Childers of Jasper, Texas.

Reverend Charles Laing performed the double ring ceremony. Miss Penny Hoffman was maid of honor. Mr. Bobby Ellis served as best man.

The bride wore a lavender silk dress of taffeta and black velvet accessories. Her corsage was of white gladioli.

Mrs. Childers is a second term junior majoring in elementary education. She is a member of Annie Gibbs.

Mr. Childers is a sophomore student majoring in pre-law. He is a member of the Caballeros.

Berry Caldwell, Jr.'s Have Daughter Born In Providence, R. I.

Mr. and Mrs. Berry Caldwell Jr. of Providence R. I. have announced the arrival of a baby daughter weighing 7 pounds, 3 ounces. The baby was born in the Providence hospital at 3:30 a.m. Oct. 13. The Caldwell's already have a 14 month old girl.

Mr. and Mrs. Berry Caldwell Sr. of Cameron are the proud grandparents.

Miss Clare Easley attended the Taylor - Hearne football thriller in Hearne Friday night.

FFA NOMINATES

Yoe High Future Farmers are not to be outdone in the business of having a queen.

At its monthly meeting Monday Oct. 2 at the vocational agriculture building there were forty members and three guests present.

The main business was the nomination of five girls for the FFA Sweetheart. The five nominations were: Peggy Burke, Patsy Anderle, Beverly Doskicil, Joy Warren and Shirley Warren. Of this number one will be chosen by the membership.

Cement Stocks are Profitable

For the first time in 20 years, Texans are given the opportunity of purchasing shares in a cement plant in the Lone Star State.

Texas Portland Cement Company is building a 1500 barrel a day plant at Orange, Texas in the great Gulf Coast industrial market.

In the two months that this stock has been offered to the public, more than 4,000 Texans have purchased over 240,000 shares at \$5.00 per share (no par - non assessable.)

We heartily recommend this stock, with its great potential for stock appreciation and growth, for your consideration. Because of the great demand for cement now, the building boom now and in the foreseeable future, all cement stocks are profitable to the purchasers.

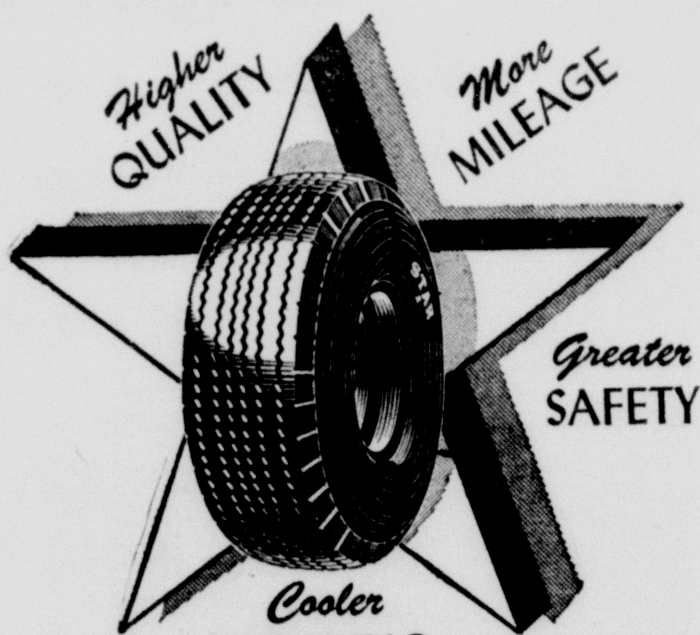

Texas Portland Cement Company stock is sold to bona fide residents of Texas and from the prospectus only. Write us for prospectus and full details.

In the '56 FORD Everything says "FINE CAR" except the price!

NEW THUNDERBIRD STYLING

No matter how fine a car you are accustomed to you'll feel at home in any one of the 18 new Thunderbird-inspired '56 Fords. You'll thrill to the long, low lines, the broad sweeping hood, the exciting silhouette. And you'll be delighted with the new body colors and new color-keyed Luxury Lounge interiors.

NEW LIFEGUARD DESIGN

The '56 Ford has a definite plus... something no other car in its field can match... Lifeguard Design... a new concept in car safety! Ford Lifeguard Design means greater protection for you and yours. It's a new family of safety features. Ford's Lifeguard deep-center steering wheel, Lifeguard double-grip door latches, Lifeguard safety rear view mirror, optional Lifeguard padding for control panel and sun visors and optional seat belts... are all designed to give added protection against injury in case of accident.

NEW THUNDERBIRD Y-8 POWER

Only Ford has the power of the Thunderbird—the Thunderbird Y-8* engine that delivers "go" smooth as silk, quiet as a whisper. Here's surging fun at the touch of your toe... power to flatten hills... instant power for passing when instincts count. Here's response so agile you gain new confidence in every driving situation.

*available in Fairlane and Station Wagon models

Pictured above are Mr. and Mrs. James E. Havlik who were married in a double ring ceremony which was an event of Sunday September 25 at 8:30 a.m. at the Czech Moravian church at Buckholts. The bride is the former Joyce Provasek, daughter of Mr. R. D. Provasek of Cameron, and the late Mrs. Provasek. The groom is the son of Mr. and Mrs. Henry Havlik of Cameron. After a short wedding trip the couple is at home at Route 1 Cameron.

Everyone Welcome To Visit Ben Milam's "Show Window"

Display Popular

The display window in the hallway near the entrance of the Ben Milam school is a favorite spot for the children as they enter and leave the building. Each grade has the responsibility at different times of "Dressing" the window and keeping it tidy.

Mrs. W. T. Hanes and Mrs. E. P. Werner, third grade teachers, had charge of the window the first two weeks of school. They and their children had a circus display with a big circus tent, clowns, dogs, elephants, lions, tigers, acrobats, a miniature hot dog stand, and a merry-go-round with "riders". These little riders were made of pipe stem cleaners and dressed by the children. Many little noses were pressed against the window with many little hand prints as the students stopped to admire the "circus."

The children of Mrs. Hensley and Mrs. Schuster, also third grade teachers, then had a display

of "Things that happen" in the children of these two sections. The display showed children returning to school and football players on a near by field. All characters were dressed by the third grade. The school, school buses were made and painted by the students. The second shelf showed the gathering of the crops, with the cotton, corn and hay being taken to the barn. Wagons were made of match boxes and they were filled with real cotton, corn, and hay. Small gourds made good pumpkins for Halloween jack-o-lanterns. Goldenrod was placed in the window to show the children a typical autumn plant. As a background sycamore and oak leaves were used. The children drew these from real leaves they had gathered for this purpose.

Parents who come to visit also seem to enjoy the display too. Everyone is always welcome in the Ben Milam school.

Homecoming At Clarkson Church Sunday October 9

Approximately 75 people attended the Cemetery Association fete Sunday, Oct. 9. Two of the former pastors and their wives were present, Rev. and Mrs. R. S. McClung of Brownwood, and Rev. and Mrs. D. Jones of Fort Worth.

Bailey Jones of Rosebud led the song service with Mrs. W. E. Matyastik, of Burlington, at the piano.

Rev. McClung brought the morning message. Dinner was served at the Community Center.

An hour or so was spent there with visiting among old friends who came from Brownwood, Ft. Worth, Houston, Galena Park, Austin, Bryan, Waco, Maysfield, Cameron, and Clarkson.

On the afternoon program Rev. Lewis Newman pastor of the Burlington Baptist Church was the speaker. Miss Prusse sang two elections, Mrs. S. W. McLerran gave the memorial, the benediction was by Mr. McLerran.

Sharp Carnival October 22

The annual School Carnival at Sharp is planned for Saturday, Oct. 22 at the school. The usual program is in store for the patrons. The evening will begin with a chili supper at 6:30 and climaxed with coronation of the queen.

Pythians Meet In Temple, Hear State Chancellor Speak

Knights of Pythias of District 9 met with the Temple Lodge Monday night with ten of the thirty-two Pythians present from the five town district being from Milam Lodge 125, Cameron.

During the order of business the Grand Chancellor of Texas spoke on "Advancement of the K of P Order" and included the subject of the KP Orphans Home in Weatherford. Superintendent of the home, which at this time has child population of about 75, is Hugo Horstmann of Cameron.

Notables, other than the Grand Chancellor, present were Past Grand Chancellor James Palasota and Grand - Outer Guard, Jim Bower.

Prior to the business session buffet lunch was served.

TRADE IN CAMERON!

Seventeen Milam Students Enroll At Huntsville

Seventeen students from Milam county have enrolled at Sam Houston State Teachers College at Huntsville for the fall semester.

According to figures released by the college registrar, 2066 students have registered and an estimated 100 others are expected by registration deadline. The college is in its 77th year of public service.

Students from Thorndale include: Hugh Daniels, business administration major; Marvin Nemeec, engineering major; and Wilbert Weise, business administration major.

Students from Rockdale include: Nathan Dickerson, pre med major; Tommy Cuba, physical education major; Bobby Lynch, photo - engraving major; Dorothy White, English major.

Students from Cameron include: Bartley Braden; Andrea Brady; Evelyn Courtney; Wesley Braden; Gerald Hobbs; Nancy Lawrence; Don Rose; Gene Senkel; and May-tice Wunsch.

Cameron is not to be denied in the seemingly endless "March of Progress". Monroe Marak has built himself a garage to keep in pace with changing times.

Making Sense Out Of Life Is Inquirer Theme

The third Inquirer's Class of All Saints Episcopal Church was held at the home of Mr. and Mrs. George Bowman Thursday evening, Oct. 13.

At this class the Rev. "Scott" Irwin reviewed his first two class sessions in which he endeavors to cause each "Inquirer" to inquire into his own being or personality and discover, in spiritual terms "Who Am I?" The process is a continuing one the pastor points out and must be answered to oneself from day to day. The effort in finding out the daily answer to this question is rewarding in that it gives the Christian "Inquirer" an answer "Right down where he lives" of "How I Make Sense Out Of Life." When one knows in his own mind who he is and "To what outfit he belongs" then and only then can he live the good life in a continual state of flux and continually have the revised answer from day to day of "How I make sense out of life."

Next meeting of the "Inquirers" class will be at Mrs. George Gra-

ves home on E. 7, Thursday Oct. 20 at 7:30 p.m.

"Relating our life's problems to religion" will be the lesson.

Mrs. B. F. Bailey Will Live With Lehmbergs In Houston Area

Mrs. B. F. Bailey is making her home with her daughter Mrs. Milton Lehmberg in Bellaire.

Mr. Lehmberg was in the office Saturday and picked up some weeklies in which were accounts of the death of the former Constable B. F. Bailey.

Mr. Lehmberg is with the Houston Light and Power Company as an engineer. He is the son of the late Rev. C. A. Lehmberg who was pastor of the First Methodist Church in Cameron in the early 30's.

The American Red Cross operates 45 regional blood centers and 110 bloodmobile units in collecting blood throughout the country for both civilian and defense use.

W. B. Shaw, conservation farmer, is constructing two miles of terraces on his farm south of Heidenheimer.

"Dog Tag" Need In Case of Flood Or Holocaust

The role of the individual in a civil defense program was discussed by Mrs. David Shapiro of Cameron in a talk before the Woman's Auxiliary to the Milam County Medical Society at the Cameron Country Club Tuesday night, Oct. 11.

Mrs. Shapiro stressed the importance of individual "dog tags" as a means of identification, not only in case of enemy attack but in event of disaster, such as flood or fire, where identification might be difficult by ordinary methods. Training of organized groups of workers for local emergency and public education in home protection were emphasized as individual responsibilities.

During the business meeting of the Auxiliary Mrs. Shapiro and Mrs. J. T. Richards of Rockdale were named county chairmen of the Future Nurses program, which is sponsored by the organization.

An appeal was made for old medical journals, books, and other items of historical interest to the medical profession to be donated to the state medical library in Austin.

Douglas Keith Williams Born Oct. 6

Introducing Douglas Keith Williams, six pound, ten ounce son born Oct. 6, 1955, to Mr. and Mrs. Douglas L. Williams at St. Edwards hospital in Cameron. Grandparents are Mr. and Mrs. E. C. Winfrey of Davilla and Mr. and Mrs. Elmer Williams of Buckholts.

Mrs. Williams is the former Miss Virginia Winfrey.

Local Firm Contributes Heavily To Support Of Baylor University

Frank Wilson is for the second year a student manager of Baylor Bears. The first year he managed the frosh team. Virginia, also of the house of Wilson is a sophomore and their older brother, who has spent three years in the Marine Corps is now a freshman at the Baptist University. Hence Dr. White president of the University, depends heavily on Bassel Wilson, Cameron, produce man, for support of the institution.

Mr. J. T. Todd of Gause was a business visitor in Cameron Monday. He was on business for the Gause school board of which he is president.

Milam County Health Unit Report —

By Dr. John Bryson

Second injections of the polio vaccine were continued through September. However only a few more have taken advantage of the free vaccine. A total of 630 out of 1010 or 62.4 percent received their second injections. Twenty-two of these had the first injection outside of Milam County. The program of free vaccination against polio ends Oct. 1. After that the children must receive their shots from private physicians. A limited amount will be available through the Health Unit for those unable to pay for the vaccine. The first priority group includes all

children under 10 years of age and pregnant women of all ages. Immunizations were started the last week of September in the Rockdale Schools, St. Anthony and O. J. Thomas of Cameron, Mayfield White and Colored Schools, and Branchville colored school. Participation has been good and it appears a larger number of children are taking typhoid vaccine than usual.

The following communicable diseases were experienced during September: Amebiasis 3 cases, gonorrhea 10, measles 3, pertussis 24, polio 2, shigellosis 2, streptococcal infection 61, syphilis 3, tuberculosis 6, typhoid 1, Vincent's infection 3, and influenza 2. The paralytic polio case was in a 12 year old negro boy from Cameron

and the non-paralytic case was in a 7 year old Rockdale negro boy who has received two injections of polio vaccine in April and July of this year. So far this year eight cases of polio have occurred in Milam County. Only one has been paralytic. The Rockdale negro boy is the only one that has received the poliomyelitis vaccine.

Twenty-five new cases of tuberculosis have been reported this year. Three of these have since proven to be inactive. The average for the past five years has been less than twelve new cases per year. This increase is probably more apparent than real due to better follow-up of suspects found during the X-ray survey and better reporting by the physicians. The \$420 budgeted for X-rays and medicines for tuberculous patients and their contacts is being strained to the utmost. In fact very few contacts are being X-rayed and cases are not being X-rayed often enough due to the lack of fund. After the 15 association's seal sale this Christmas this situation should be improved.

Regular routine inspections of food and other establishments have been made during the month of September. Many improvements have been noted in the food establishments such as remodeling, redecorating and the installment of new and modern equipment.

Rockdale High School opened the new school term in their new building. The school has a new cafeteria and the most modern equipment and are operating nicely.

The sanitation school program and school lunch program is well under way. The Sanitarian plans to visit all schools in the county during this term. Special attention will be given to improvements in water and sewage facilities, and lunch room sanitation.

Mr. Kenneth C. Lauderdale of the District Office in Houston was a visitor to this office and was accompanied on a tour of hospital inspections by Mrs. Ruby Ellen Brown, Public Health Nurse, in the absence of the Sanitarian, who was sick.

Mr. James E. Poore of the Extension Service, College Station was in conference with the Sanitarian. Plans are being formulated for a county-wide rodent control program during October. This program will be sponsored jointly by the Milam County Farm Bureau, the County Agents office and the Milam County Health Unit. Warfarin rat bait will be used. The program for improvement and treatment of private water supplies will continue.

Hood Personnel Able To Take Extension Courses at M.H. Baylor

Beginning Jan. 15, 1956, army personnel at Fort Hood will be able to take extension courses for college credit at the Army Education Center at Fort Hood by special arrangements recently completed with Mary Hardin Baylor college, Dr. C. A. Anderson, dean, announced.

Instructors from Mary Hardin Baylor will teach courses two nights weekly on the post. Classes will be held for two hours each night, requiring about 10 weeks

work to complete a course.

Pre-registration at the center, to determine possible size of enrollment netted over 200 men and women. Courses offered will include speech, English, history, math, and political science. Credits given for courses completed successfully will be the same as if earned while doing residence work at Mary Hardin Baylor.

Milano Up And Moved

Milano City is the name of the early day Milano and lies approximately one mile west of the present town of Milano. This tidbit of knowledge was revealed by the County Clerk in Commissioners Court Thursday.

Mr. and Mrs. Paul Helencamp have returned from a pleasant weekend in San Antonio where they visited their children and friends.

Heavy infestations of fowl ticks, commonly known as blue bugs or chicken ticks, can take a big bite out of the market price of turkeys. Reports wide areas of the state indicate that many turkey flocks are being damaged by this insect pest. Apply control measures as soon as the tick is found. Local County Agents can supply information on control methods.

Mrs. Carrie O'Neal and her daughter Mrs. Sidney Posey of Houston were over night visitors in Cameron. Mrs. Posey brought her mother for a check-up by Dr. Shapiro who has been treating Mrs. O'Neal's broken arm. They returned to Houston Wednesday morning.

Mrs. Sam Easley Jr. of Taylor and Mrs. Joe Edwards Jr. of Marlin and Mrs. Edwards' two children visited Miss Clara Easley of the Herald Staff Wednesday. They are Miss Easley's mother and sister respectively.

SHOP IN CAMERON

From where I sit... by Joe Marsh

Tie This One For Consideration—

Closed the office early last Saturday to go after pheasants with Pops Foster. I used fewer shells than the old gentleman and took home more birds—but not because I did better shooting.

I'd borrowed a dog for the occasion. Pops took along Blue, his ancient pointer. Several times I noticed Pops walk up to a clump of bushes Blue had pointed at and fire into the air—though he hadn't flushed a single bird.

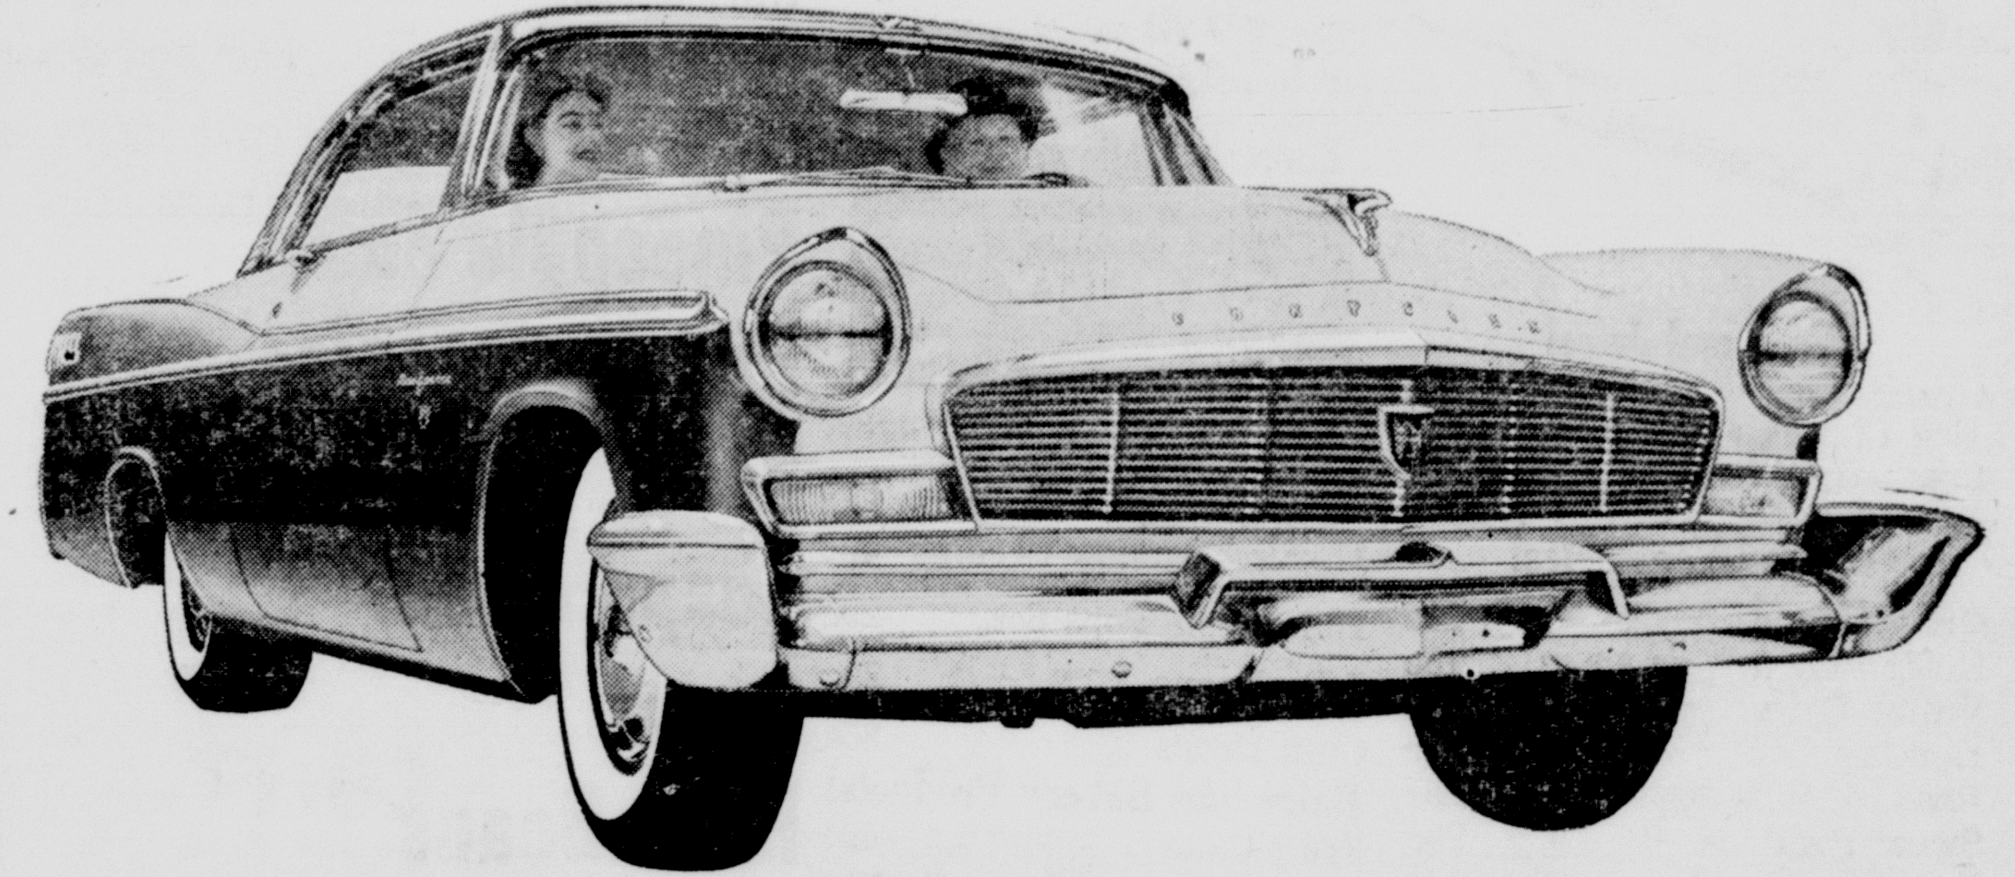

Naturally, I wanted to know why. "Well," he said sheepishly, "I've been hunting with that dog for 11 seasons. His nose isn't much

help any more—but I'd rather waste a shell than let him know."

From where I sit, Pops always shows consideration for people, too. For instance, this is a small thing, but he puts a bottle of beer on ice for me when I visit him—though he never takes anything but coffee himself. Even if he doesn't agree with me on a matter of personal choice (which is his right) he'd rather not make a "point" of letting me know.

Joe Marsh
